

**HARASSMENT**

---

It is the policy of the Pickens County School District to prohibit any act of harassment of students or employees by other students or employees based upon race, color, sex, national origin, religion, age or disability at all times and during all occasions while at school, in the workplace or at any school event or activity. Any such act by a student or employee shall result in prompt and appropriate discipline, including the possible termination of employment or suspension or expulsion of the student.

Sexual harassment may include conduct or speech which entails unwelcome sexual advances, requests for sexual favors, taunts, threats, comments of a vulgar or demeaning nature, demands or physical contact which creates a hostile environment for a student or employee. There may be other speech or conduct which employees or students experience as inappropriate or illegal harassment which should also be reported; harassment can take many forms and it is not possible to itemize every aspect of the harassment forbidden by this policy.

Any student, employee, applicant for employment, parent or other individual who believes he or she has been subjected to harassment or discrimination by other students or employees of the school district as prohibited by this policy should promptly report the same to the principal of their school or to the appropriate coordinator designated in policy GAAA/JAA, who will implement the board's discriminatory complaints procedures as specified in that policy. Students may also report harassment or discrimination to their school counselor or any administrator. Students and employees will not be subjected to retaliation for reporting such harassment or discrimination. If at any point in the investigation of reported sexual harassment of a student, the coordinator or designee determines that the reported harassment should more properly be termed abuse, the reported incident or situation shall be referred pursuant to the established protocol for child abuse investigation.

It is the duty of all employees to promptly report harassment forbidden by this policy. All supervisors will instruct their subordinates as to the content of this policy and, through appropriate staff development, enlighten employees as to the varied forms or expression of prohibited harassment. The principals of all schools shall ensure that students and parents are informed through student handbooks and verbally that such harassment is strictly forbidden, how it is to be reported and the consequences for violating this policy.
